5

Praise and prayer are ris - ing in the beast and bird and tree;
Shep - herd of the wandering star, and souls that way-ward flee;

9

Sun and stars are sing - ing, to the heav'nly Spir - it,
May they praise for ev - er, al - ways at thy bid - ding,
Home-ward draws our spir - its to the Spir - it yearn - ing,

Who was, and is, and ev - er - more shall be.
